

Diversion Map-London Road, Buntingford

(Phase A: 31 October to 3 December 2022,
resuming 3 January to 13 January 2023)

London Road/Station Road will be closed to traffic in both directions to ensure that the works are completed as quickly as possible. Sets of two-way traffic signals will facilitate resident and business access to adjoining roads on either side of the closure. You can find out more below and online at www.hertfordshire.gov.uk/activetravelfund

There will be disruption to bus services during each phase of the works. Information will be published on the Intalink website: www.intalink.org.uk/service-updates. Details will also be displayed on physical notices at all relevant bus stops.
