## **Diversion Map-Station Road, Buntingford**

(Phase I: late June to early July 2023)

Station Road will be closed to traffic in both directions to ensure that the works are completed as quickly as possible. Sets of two-way traffic signals will facilitate resident and business access to adjoining roads on either side of the closure. You can find out more below and online at <a href="https://www.hertfordshire.gov.uk/activetravelfund">www.hertfordshire.gov.uk/activetravelfund</a>

There will be disruption to bus services during each phase of the works. Information will be published on the Intalink website: <a href="www.intalink.org.uk/service-updates">www.intalink.org.uk/service-updates</a>. Details will also be displayed on physical notices at all relevant bus stops.
